

**K.I.N are part of Cloverleaf Advocacy which has been supporting people to speak up and be listened to since 1995.**

## **What is Kirklees Involvement Network.**

K.I.N is a Self Advocacy Network of people with a learning disability and their supporters from all over Kirklees.

## **What we do**

We support local people with a learning disability to have a voice about the things that affect them, so they can really be involved in decision making.

## **Network Meetings. Come along & Make New Friends**

We meet every 6 weeks in North and South Kirklees. Our members decide what they think is important.

## **Making sure you have your say.**

We make sure our members get the right information so they can make their own decisions

## **The Learning Disability Partnership Board**

We have 5 champions with a learning disability who sit on their local Partnership Board. Our champions listen to the Network Members and take their views to the board.

This makes sure that our members views and concerns are taken straight to the board, and are used when they are making decisions about services for people.

.Anyone is welcome to our meetings, and lunch and transport is provided.
