ADVOCACY? ADVOCATES? NEED TO KNOW MORE?

WHAT IS AN ADVOCATE?

An advocate is someone independent of hospital services and instructed by you.

An advocate is someone who is there to help you speak up for yourself, or, if you feel you cannot speak up on your behalf.

Advocacy is free and confidential (unless you share something that is of risk to yourself or others).

THE TEAM

Victoria and Patrick work Monday to Friday 9-5.
